### [Unifrog – The Complete Destinations Platform](#)

Dear Parent / Guardian,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog; an award-winning, online careers platform. All students in Years 7, 8, 9, 10 and 11 now have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This will make it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by writing their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

**Students access the tool in school during their PSHE lessons. Their login details can be found through their school email account.** They then login using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your child so you can support them through the process of deciding their next step.

Parents are also able to access the platform by going to [www.unifrog.org/student](http://www.unifrog.org/student) and click 'Sign in for the first time'. You'll be asked for some details and a Sign up Code. This is what you need:

#### **LRSParents**

After signing up, log into Unifrog using your email address and password via the student sign-in page!

For more information, go to [www.unifrog.org](http://www.unifrog.org) or contact me at school.

Yours faithfully,

*N Gray*
