

September 2024

Dear Parent / Carer,

**Laurel Park Open Evening - Thursday 3rd October**

On Thursday 3rd October, Laurel Park is holding our annual Open Evening for all current and prospective families to visit and look around the school.

I would like to invite you all to visit school on Open Evening. It is a spectacular showcase of all the wonderful learning opportunities that are on offer to our students. Every subject is represented, with interactive activities and examples of school work on display. You can visit school between 5.00-7.45pm via main reception to be allocated a tour guide and enjoy all that is on offer.

Most students will be invited to volunteer at Open Evening either within a department or a tour guide. Your child will receive a letter with the information.

To help prepare for the event, school will finish **early on Thursday 3rd October at 1.35pm**. All students will be dismissed via the front gate. If your child is staying late and you do not wish for them to go home in the gap, they can stay and help set up.

Student helpers will return to school at 4pm and will be dismissed between 8.15-8.30pm at the front of school.

To reflect the late finish on Thursday night, school starts at 9.40am the following morning, Friday 4th October. Breakfast will be available in the Bay Leaf Restaurant from 9.15am.

With regards

Ms A Christofi  
Headteacher
