

October 2024

Dear Parents/Carers of Years 7 and 8,

As part of our commitment to 'Character Education' we want to ensure that every student attends at least two educational visits each year. These visits will offer our students a wealth of opportunities beyond the classroom and further enrich their educational experience.

We have planned educational visits across each year group for every year that your child attends Laurel Park School and all students are expected to attend them. We will inform you of the visits for your child at the beginning of the academic year, and will make you aware of the costs associated with them. You will then be able to make payments across the year with all balances being paid by 27th June. If your family has any issues with making the payments, we have a small amount available to support you with them - please speak to your child's Raising Standards Lead if this affects you.

Year 7 and 8 Trip Programme 2024/2025

Brace yourself for a lot of laughter and merriment as hilarious comedy takes centre stage, ensuring that smiles remain etched on your faces throughout the performance.

The Cost

The total cost for the three visits will be shared with parents in due course. We will devise a payment plan to ensure the cost can be spread over the academic year. Millfield Theatre (£14) can currently be paid for via Parentpay.

On Educational Visits the school policy on Mobile Phones and electronic devices still applies, and they will be confiscated if seen or heard.

Please note that the school may remove a student from all, or some educational visits due to poor behaviour. In these circumstances a refund will not be given.

We hope that you agree that these educational visits provide your child with some amazing opportunities and experiences and we look forward to sharing with you the pictures of them via Instagram and our Newsletter.

Yours sincerely

Mrs Nash
